

ENVIRONMENTAL POLICY STATEMENT

Control Centre Solutions Ltd is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our workers and clients, and minimises our potential impact on the environment. Control Centre Solutions Ltd are aware of the environmental impacts of its operations and will balance its business with the need to protect the local and global environment. We will endeavour to operate in compliance with all relevant environmental legislation and will strive to use pollution prevention and environmental best practices in all that we do.

We will endeavour to:

- Integrate the consideration of environmental concerns and impacts into all of our decision making and activities.
- Promote environmental awareness among both our employees and clients, and encourage them to work in an environmentally responsible manner.
- Train, educate and inform our employees about environmental issues that may affect their work.
- Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furnished products and materials where these alternatives are available, economical and suitable.
- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- We will use only reputable waste carriers.
- Promote efficient use of materials and resources throughout our work including water, electricity, raw materials and other resources, particularly those that are non-renewable.
- Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take all reasonable steps to protect human health and the environment when such materials must be used, stored and disposed of.
- Purchase and use sustainable or environmentally responsible products where possible.
- Where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency and spill response programmes.
- Ensuring activities are carried out with minimal impact on local communities and not creating a nuisance to our neighbours.
- Communicate our environmental commitment to clients, customers and the public and encourage them to support it.

This policy is reviewed on a periodic basis or on significant change in the company's operations.

Copies of this statement of policy will be made available to all employees and to all other interested parties.
